# WORSHIP

Dear Friends,

Since arriving at Holy Name in June I had been asked by a few folks about the parish council. An attempt was made in July to gather all those serving on the council together for an initial meeting. Unfortunately, not many people responded at all and very few attended the meeting. With the juggling act I am performing with the jobs I hold in the Diocese, after that meeting the idea of the council was pushed aside for a while. Before Christmas and into the new year, I started to think about this yet again and began inquiry among some folks as to whether or not this would be beneficial. Of course, the answer was 'yes.' After hearing that people do want a parish council, I then decided to restructure it. The council will include members from various groups in the parish who are active: CCD, Staff, Finance, Legion of Mary, Music Ministry, Spanish Community, Volunteer Committee, Deacons, Priests, President of the Council and VP. Some folks who were on the previous council were asked to stay on and there are some new, and younger, voices on the new. There is a good representation of the parish on this council and I am pleased that this was able to come together.

As this new council comes together, it is an opportunity to remind us all of the nature and purpose of a parish council. The council itself is an advisory body, not a decision-making one. That does not mean that ideas and suggestions shared among the council members will not influence decisions that are made, but ultimately, the final word lies with the Pastor. The council serves as a way for each of the active groups in the parish to communicate with one another, to collaborate on events and build a solid foundation of community life. The captain cannot steer the ship without the assistance of a crew. And I am pleased to welcome this new crew.

More information regarding this new parish council is forthcoming. I would like to take this time now to thank those who served on prior councils. Your dedication to the parish is not overlooked. My thanks go out to all involved.

God bless you

## Hospital Visits and Homebound Parishioner Visits

If someone in your family is homebound or in a nursing facility, and you want to have someone from the parish visit and to give communion, please call the rectory office, 733-5823, ext. 113. Also, if someone is in the hospital and would like to have a visit by a priest, please call the same number and leave a message. We will need the hospitalized person's name, which hospital, and their cell phone or hospital phone number, if possible. If it is an emergency and someone needs a visit ASAP for last rites, call this same number and press 3 (the emergency extension).

## LOAVES AND FISHES

This Monday, being the first Monday of the month, members of our parish are cooking and bringing American Chop Suey to South Congregational Church to serve the hungry of our city. If you can help with the cooking, please call Ann at the rectory, 733-5823. You may use your own recipe. They have begun serving again, so meals can be dropped off between 4:15 and 4:30p.m., or you are invited to stay and help serve. You'll find plenty of safe parking right in the church parking lot.
