WORSHIP

From Your Parish Administrator

In our First Reading today in the section known as the Book of Consolation, is a celebration of God's reminding Israel of the Covenantal love of God established throughout Israel's whole history. They have been in Exile with accompanying hunger and thirst, but what we hear is a poetic invitation through the Prophet to come and receive what is offered so generously and abundantly. Abundance of lands will again renew their faith as well as their bodies.

And in the Gospel story is such a defining picture of Jesus and his relationships with humanity. John the Baptist has been beheaded by Herod and apparently moved with that personal loss, He withdraws to be by Himself and grieve. Upon arriving at a prayerful place, a crowd arrives with their pains. Jesus is moved with, not just feeling of pity but active compassion which embraces their human sickness. This took some time when evening drew near, the crowds grew hungry and disciples became anxious. They approached Jesus with an efficient solution: send them away. Jesus has a better solution: feed them yourselves. So physical healing and feeding are but preludes to the real mission of Jesus.

SACRAMENT OF THE ANOINTING OF THE SICK

The Sacrament of the Anointing of the Sick touches us in the weakness of our human existence for the Lord wants to be involved when we are most vulnerable. It recognizes our frailty and assures us that even in our weakest or declining moments, God is right there to strengthen us, He will not leave us on our own. This last Weekend of the Month (August 2023) the Priest will offer the Sacrament of the Anointing of the Sick for those adequately prepared to receive it.

Tuesdays, 1-5p.m. Chaplet prayed at 3p.m., Rosary at 4:30p.m. followed by Benediction

For the remainder of the summer, the rectory will be closing at 1:00p.m. (We will still have the Friday prayer line, just earlier to coincide with the summer hours.)
